Mattie

H. Widdison Gardens N.

July 24th 86.

My dear Lady Dawson

We were all
greatly pained to
see in the papers
this morning that
you and your
son were amongst
the injured in the
Portsmouth accident

I went at once
after breakfast to
try and find
you at your
old lodgings
in Margaret Street
but they would
not give me
your address, &
we all feel so

Very anxious to
know how you both
are, I am now
sending this to
Mrs Redpath in
hopes of hearing
where you are,
& how you are,
the papers give so
very little information
we trust you are
neither of you
suffering seriously.

I fear if Sir William
& Miss Dawson were
not with you they
must have had
a great shock from
the newspaper report,
with much sympathy
from my sister
& Rae & myself to
you all

Believe me dear
Lady Dawson
yours affectionately
Kate Rae
