Sir William must not

Dear Lady Dawson

I am delighted  
you can come home  
on Wed 7<sup>th</sup> 18<sup>th</sup>. It will  
be very nice seeing  
something of you.  
As you are coming

to stay I think I will  
not meet you with  
the pony-carriage  
as I originally sug-  
-gested, for the car-  
-riage cannot take  
luggage so it will  
be better for you  
to take a cab that  
can. Does your "pass"

to the properties involve  
any special facilities?  
The works are always open  
but some very best  
things are, I believe, not  
usually shown - unless  
one knows the manager  
- which I don't. I could  
however, get an intro-  
-duction for you, I

think if necessary.  
Perhaps you would  
let me know this as  
well as your train  
on a card later on.  
Believe me

Yours sincerely  
Effie Browne
