Dear Lady Dawson

I was so sorry to hear
that you & yourself
were among the injured
by that sad accident -
last Friday. I do trust
you are not at all
seriously hurt. I tried
to find you yesterday
going to your late lod-
gings - & afterwards to
the Langham Hotel.

Sir Charles Tupper
told me this morning
he thought you were
with your friends
at Finsbury -
I hope so for they will
take such good care
of you - for even if
no bones are broken
the shock alone - &
no doubt bruises - will
be bad enough -
