Dear Lady Dawson

On my return home
last evening my daughter
gave me your kind message,
and I have since received
from Mr Murray a
note in which she says
that owing to the illness

of her son she cannot
receive the Ladies of the
Delta Sigma Society and their
friends this week. I am
very sorry indeed to have
that young Mr Murray
is unwell, but that he may
soon have quite recovered.

Your kind invitation
to visit the Ladies re-
surned to at your house

on Saturday of next
week, or of the week following
as may best suit your
convenience I should be
very glad to accept
and with kind re-
membrances for Mrs
William I have me

Dear Lady Dawsey
Sincerely yours
Dawsey
