My dear Walter,

I think of
trying to spend a couple
of days in Montreal
next week when I believe
there are some holidays,
and so did not endeavor
to get off today.

Have you any copies of
my last Polaroid photo?

I cannot find any
here, but if you have

Spare copies would like
one of the Black Coat
kind. If not I will
have some printed, but
please let me know.

Commence with Eric
for we are his wearers

Yours
George
