

140, DRUMMOND STREET.

11 March 88

Dear Lady Dawson

It is quite unnecessary
 that you should for one
 moment suppose you
 owe any apology for
 speaking to me about
 the business of your son
 in the C & D Co. It is only
 natural you should take
 a deep interest in his
 welfare. I will take
 an early opportunity of

of checking to Mr
Shangnessy, who was
being absent, about
time. and to you
know with what
great attention

Believe me
very truly
Yrs

?
