Dear Lady Dawson

I dare say that  
by this time ~~as~~ you have  
received formal notice  
for five thousand per the  
Vice-Chancellor of the Univ.  
of Cambridge concerning the  
honorary degree - I am  
only sorry that he could

not have arrived a couple  
of days sooner. I trust that  
he will be able to arrange  
to go to Cambridge at  
a later date -

It is to be hoped that he  
is having weather no less  
fine than we are enjoying  
here -

What are your plans when  
he arrives? I suppose he  
requires of the address  
unless it is completed

will bring him soon to London  
and perhaps yourself -  
of course in capital & visit -  
These are our present  
arrangements - My sister  
and I are away from  
London till July 10<sup>th</sup>  
and I am after that  
away to Cornwall for  
July 16<sup>th</sup> to 24<sup>th</sup> - after  
which we shall both be  
here till the end of the  
month, and I for some

Time long-

So that whether he come  
alone or not there will be  
a hearty welcome here if  
he will treat us as you  
treated me in Canada  
with kind remembrance to  
Miss Dawson & son

Sincerely yours

J. G. Bonney
