Worcester
Jan 4. 92.

My dear Mother,

I send you a
further lot of photos,
Some fairly good & some
poor. I send them
all to you for inspection,
after which please give
Anna some of her children,
Florence that of hers &
Mr Carpenter, when you
get a chance, her own. I
should then like to know

if any a two way
 extra copies are wished
 of each. The cost of getting
 them printed is very small
 but it will facilitate if
 I get the whole order at
 once.

will have to try again
 at Vidor & Owen, they seem
 of the hard subjects. The
 layer photos are I fear
 not coming out so well
 but I will send them
 down when I get them.

The best of these two sent
 as a photo. is that of P.

in the Fall,

Yours

Gray.
