

Mr Heneker

Sherbrooke 5th October 1892.

My dear Lady Dawson.

I was shocked and grieved
to read in the newspapers of the
serious illness of Sir William

May I venture to ask you
to instruct some one to send
me particulars - and I sincerely
hope that all danger is over.

My warmest sympathies are
with you. You have an few
men whom I value so
highly as your husband. His
friendship is a mine of gold

I pray God that he may
be spared to you.

Very truly yours

W. Heneker
