

Mrs Murray

111 Mackay St.
May. 3. 93

Dear Lady Dawson,

I regret that owing
to the death of my
beloved father I am
prevented at present
from personally ex-
pressing my grat-
ification at the

return of (myself
and Sir William),
and at incomplete
~~restoration~~ to health.
I trust that his con-
valescence will
be thoroughly est-
ablished, and that
the additional rest
of the coming summer
may put him once
more in his old

train for work:

My son, who is here on a
short visit from Scotland
has no in our establishments.

Yours most sincerely
Margaret Wilson Murray
