Wice letter
from Mrs Saw
about Eric

My dear Lacey Sawer

I trouble you as I do

not like to ask Mr^s - Haining
to write to me & I feel

I must know really
how Eric is - I think

I like that boy almost

as much as I like Alan

& the tidings of his

illness has pained

me more than I can

express. Alan too is quite

Cast down & every day
the tactics of his friends
& himself he comes to
with him. We are both
feeling rather homesick
& would gladly return
to Montreal at once
Mr. Law is however much
better & it seems a pity
not to remain for at
least part of the
winter now that we
are over. We have
not yet decided whether
we will go to France
or remain in England

has spent the summer in
Scotland & saw a great
deal of my daughter
Mr. Stephens - I was
glad to hear that you
had your daughter from
England with you - I
know what a pleasure
that would be for you
all - I do trust - You
are well & Mrs. Leitch
is feeling stronger I
always read anything
I see in the papers about
her with interest -
My warm love to Mr. Hargrave

I need not say how my
whole heart goes out to
you & I long to share with you
deeply I feel for you
Dad is so young that
he may not outgrow
this delicacy. Good health
may spare him
for many years of
usefulness - He has
never been anything but a
comfort & a gladness
to you all -
Always dear & truly
Dad's
