

Ottawa, Sat. 15 Dec. 94

Dear Mother,

I have just received
"approval" of my applic-
ation for a few days
holiday. I represented
that I had been working
a good deal at nights
since Oct. at Father
Point & in my Report.
In any case we are en-
titled to 3 weeks per year.

I take from Tuesday
next till Monday following,
or 6 days; & hope to
go down to see you
Wed'y evening. I want

to be back Saturday; for
Victor's birthday is to
be kept on it, This
will also suit with
George's arrangements,
& enable him to stay
with you a little longer
without inconvenience.

So please expect me
Wed'y eve' about 9 Pm
unless I write to the
contrary.

I must add my
thanks to Florence's
for your long letter
regarding her father.
We feel very grateful
for the trouble and

interest you have taken.

I am very glad to
hear a little better account
of Eric.

I trust you are both
very well; & that your
indigestion is not troubling
you now.

Please excuse this
scibble —

Your affectionate son,

Will —
