My dear Mother,

I got back

here very comfortably yesterday
& on time. Today we
saw a terrible snow storm
& I suppose you are
experiencing the same. It
was bound to come to a
bad break up after
so much fine weather,
but I trust that we may

Next look forward to
 the Indian Summer.
 Don't forget to take
 some outdoor exercise
 or drive yourself whenever
 the weather is fine - you
 should be able to do it
 without inconvenience
 with a good nurse to
 take charge

Yours
 Searle
