My dear Mother,

Your communication  
Enclosed received some days  
ago, but I have neglected  
it. If you could take  
the time & trouble to  
select a style & order  
a lot of cards for Anna  
at Weyburn I shall be very  
glad. — If not I will  
see to it here. Let me know,  
& if you had rather I  
should do it send me  
a memo. of exactly what

Should go on the Card.

Morgan I suppose could do  
the paper too, but advertisement  
does not show a desirable  
style for that. If there is  
any difficulty I can get this  
done here too, but again  
please tell me exactly what  
should go on the paper, please,  
& what size or sizes it  
should be.

What a wretched day it  
is to be sure - a steady  
downpour of sleet & rain.

Yours  
George.
