Dear Lady Dawson.

May Mr Scott & I join
with Mrs Minns in Congratulations
on your Golden Wedding day -

You are still so young in looks
I had not thought of such an
anniversary till I saw it in
the paper yesterday -

May peaceful thoughts of the
past & great yet hopeful

Thoughts of the future lie in
our hearts today - & we
all hope you & Sir William
may be spared to each other
for many years -

With kindest regards

Believe me

Sincerely yours

Isaac T. Hott.
