My dear Mother,

I am much
obliged for the flowers
which you so kindly
wended a seat to
me. I might have
got them when I visited
you next.

Enclosed is a cutting
which may interest Father.

I hope you may be

able to indicate
some way in which
Anna may be able to
fit a letter sent & change
& let me know if
I can assist in
or be a party to the
project

Yours
George
