My dear Mother,

I have your note
of yesterday, but have
not yet received the Cheque.
It is very probable, however,
that the Manager of the
Branch Bank of Montreal
took your cheque in
favor of the bank &
immediately sent on a draft
payable to my credit,

to the Manager here. If
I do not receive the cheque
tomorrow direct I will
enquire at the bank here
& let you know.

I believe I have a receipt
of Felters of some kind &
will also look this up
& return it, closing the
acct.

Yours

Leaff
