My dear Walter,

Your letter with
special delivery stamp
attached was duly delivered
yesterday evening. I got W.
to come round here & talk
deerin with me this evening
& we talked the matter of his
leave over in various aspects.
I don't know just what your
idea is about what he should
do with his leave. He seems to

think he might go to Halifax
 & loaf about there till he could
 join you at Metis, but this scarcely
 seems to me to contain enough
 of an object or interest, besides
 being very lonely. The Bermuda
 notion would appear to me to
 be better for at least a portion
 of the time. You might let me
 know about this - also
 about the bicycle idea if I can
 approve of it, for I shall be
 very glad to look after this
 or in any other way
 assist the enterprise.

I am returning the copies of

3

Medical certificates herewith.
I shall hope to hear about Clara when she
reports herself.

My kind regards to Father - I shall be
glad to hear from him whenever he can find time
to drop me a line.

Yours
George
