

Ottawa
Sept. 19. 99

My dear Mother,

I have this
morning received your
note for volumes to be
sent to Blanche (atkins)
in letter from Rankine.
I scarcely hope to get the
volumes here from
binders before the end of
the week & unless I
hear from you I think

I will then send
 them to you in Montreal,
 so that you may see
 just what they are like.
 They cannot fail to be
 late in any case, &
 this is partly no doubt
 my fault in having
 forgotten to follow up
 the original order.
 I yesterday recd. an

3

invitation to the wedding
on the 21st, as this I
suppose scarcely requires
an answer now,
although it looks we
feel that I should have
sent a gift of some
kind.

Yours
George
