My dear Mother,

I fear I have  
been long without writing,  
but have had little to  
communicate, matters going  
on here much in their  
usual way. The book  
or pamphlet sent to Father  
came back all right. - I  
hope he found the article

on affairs of some interest.  
 I have heard my little  
 from Montreal since  
 I left & have scarcely  
 seen W. since my return  
 to get any news which  
 he may have, but I hope  
 that everything has been  
 going well. Received a  
 note from Geo. Colby  
 acknowledging some trifles

I sent by Rankine & Suckling  
a very pretty photo. of the precious  
baby at 18 months old - but the  
same photo. you showed me in  
Montreal.

Yours  
Geo
