Bishop's Court,

My Dear

42 Union Avenue,

Lady Dawson

Montreal, 19 Nov 1899

Thro' Y. Kind Thoughtfulness. I have just heard that Sir William has been called to his Fathers House above.

Thank God You know where to find strong consolation. and I have just risen fr. my knees asking that You + Yours may be comforted. with that comfort ministered by the indwelling Holy Spirit.

You + Sir William have on been much on my mind of late, + the more so because I have been prevented by illness fr. calling

around You as the ever-lasting arms, + You shall be sustained by infinite love. until You are again united. in His presence, where Y. dear husband. has now entered into joy

still praying for You

I am

affectionately Ys in C.H.
