Resolved that we the members of the teaching staff of the two High Schools of montreal desire to place on record our deep sense of the loss which the cause of education has sustained in the death of Sir William Dawson. Amidst the engrossing engagements of a very active life he found time to serve the cause of education as Principal and Lecturer in our Normal School, as member of the Council of Public Instruction, as member of the Protestant Board of School Commissioners and as President of our Teachers' Association; and by the manner in which he discharged the duties of these important positions he not only rendered important services to the cause of education but proved himself to be the faithful and sympathetic friend of the teacher.

We would specially record our deep sense of gratitude and indebtedness to him as a true christian teacher and as one of the most honoured members of the teaching profession.
