My dear Walter,

In another  
envelope I am sending  
unsigned replies to  
some of your office's letters.  
Please read over before  
signing. Also in this &  
the other envelope together  
all the official resolutions  
etc you gave me. All  
these are now answered,

Except the Geological  
Society. This I will  
answer myself & for you  
together, as copies of the  
revolution was also  
sent to me.

Yours  
George.
