Dec. 17. 99

My dear Mother,

Enclosed is a
note from Prof. Dawkins
which you may like to see—
also a letter from Bedford
that belongs to your lot & was
omitted of me in sending
back the uncured ones.

I have a letter from Ella,
the first for a long time, in
which she sends her very
kind wishes & sympathy to
you all.

The booklet has been so long

2.

delayed that it will evidently
be best to hold it back till
after Christmas week, or to
send out copies to distant
places which will arrive
after the New Year - so it
appears to me at least.

Yours
Jesse.
