

Ottawa.

Dec. 18. 99.

My dear Mother,

The photo. & also
the copy of Gazette
I received today & I have
only forwarded them.

~~I should~~ I am returning
proof, ~~also~~ of booklet recd.,
today direct to Bishop
& asking him to send
proof in page form to
you. I do this as
Bernard writes that he is

likely to leave tomorrow.
I think really you need be
no particular hurry about the
wallet as it has got
so late already.

Yours
Jeff
