Hilma Lipe

Winnipeg <sup>Manitoba</sup>  
December 2 1899.

My dear Lady Dawson,

I was greatly  
shocked & grieved to learn  
that your dear husband  
had been taken from you,  
and I know what your  
loss must mean to you.  
We both sympathize  
most deeply with you in  
your bereavement - It  
must be a trying  
time but a just source  
of consolation to you to

And how much for his  
Whose accomplishment,  
and also that he has  
done so much to make  
his country known - but  
gets nothing but the  
knowledge that God  
will do it - can really  
do better than that -

I have been doing all  
myself since hearing  
the sad news, and  
thinking much about  
you - but most of the  
time into doing equal  
work to dictating a letter.

My daughter Mr<sup>r</sup> Cameron  
who is writing this for you  
me writes in substance of  
her most sincere sympathy.

Believe me

Dear Lady Jameson,

Yours very sincerely

Frances Tupper.
