

Faculty of Applied Science.

DEAN. HENRY T. BOVEY.

L.L.D., M. INST. C.E., F.R.S.C.

Montreal

Dec. 9th. 1899.

My dear Lady Dawson,

On the part of the Faculty of Applied Science, I beg to forward to you the accompanying resolutions, which express in a very slight degree the great esteem, admiration and love, of the members of our staff for the late Sir William Dawson, Emeritus principal of this University.

I am

Yours sincerely

Henry T. Bovey

Faculty of Applied Science

DEAN. HENRY T. BOVEY.

L.L.D., M. INST. C.E., F.R.S.C.

*forwarded to Mrs. Dawson*  
*will be kept*

At a meeting of the Faculty of Applied Science held Monday, December 4th., the following resolutions were unanimously passed:

Resolved

"That the Faculty of Applied Science desires to place on record its sense of the great loss it has sustained, in common with the whole University, in the death of the Emeritus Principal, Sir William Dawson, F.R.S.,

To him the Faculty owed its initiation, and the force of his character, while not limited in its sphere either by this University or by this community, was directed in a very special manner to the advancement of the interests of Applied Science. His personality, no less than his reputation in the scientific world, gave a value to the Faculty's work which it would not otherwise have possessed, while his ready sympathy gave instant encouragement to all that was best in its life."

Resolved

"That a copy of this resolution be forwarded to Lady Dawson."

December 9th. 1899,

*Henry T. Bovey*
