Mrs Margaret Dawson,

Dear Friend:-

I write

to express my sincere sympathy with
you in your bereavement, which
came to us through our Daily papers.

Painful as this is it is what
every family must meet sometimes.

Many of us here have learned
to admire Sir J. William Dawson
for the excellent Books he has written
and I have the written promise of
two of a Committee to select a library
at Owatonna our County seat to include
the works of Sir J. William Dawson.

I just purchased his book "Eden Lost
and Won"

Sincerely yours

Dec 12th 99. Archibald Colquhoun,
