OF

NEW BRUNSWICK.

Saint John, N. B., Dec 16<sup>th</sup> 1899

To Lady Dawson,

Dear madam,

As secretary of the  
Natural History Society of New Brunswick,  
I have been requested to forward to you  
the enclosed resolution of sympathy for  
the great loss you have been called upon  
to voice to our sorrow, but inadequately  
expresses the feelings, not only of this  
society, but all people interested in  
science throughout the Dominion.

Yours respectfully

Chas. F. B. Rowe.
