Dear Lady Dawson,

I desire to
express to you my sym-
pathy with you in the
loss which you have sus-
tained.

It will always be
a happy memory of
mine - my acquaintance
with you & husband.

This has been a splendid

life and his influence
for righteousness a
great boon to Canada.

It must be a
consolation to know
that you have the
sympathy of large
numbers in all parts
of the world.

Believe me
Sincerely yours
J. Clarence Webster
