

Rev E. H. Lawrence

Peterborough. Dec. 29th 1899

My dear Lady Dawson

I did not
write to you at the time
of Sir William's death, be-
cause I felt sure that
you would have so many
letters. I am writing now
to let you know that
I have been thinking

about you, ever since I
heard of your great
loss.

I can never forget the
kindness of Sir William
to myself during my
College days & when I
first entered upon the
work of the Ministry.
I looked up to him as
a father & was proud

to know that I could claim him
as my friend. His death has left a
gap, which I do not believe will
ever be filled.

With my kind regards to yourself
& all the members of your family,
I remain

My dear Lady Dawson

Yours truly
G. F. Lawrence
