Barrington, Nova Scotia,

Lady Dawson,

Dear Madam:—

I have to thank you very much for the Montreal papers, also the In Memoriam Booklet - all giving details of the Life, Work, Character, and death of Sir William, also Reports of Addresses at a Memorial Meeting - and Sermon on the funeral Occasion. These, with the exceedingly interesting - Farewell Address^{to} the McGill Students, and the extracts from a lecture on "Thirty-eight years of McGill" - I have read with the greatest interest. To what I knew of my distinguished Countryman previously, is added

much that rounds and completes
his character, in a manner that
will increase greatly my admiration
and veneration for his memory.

Again thanking you -

Believe me,

Dear Madam, with much
respect and esteem,

very truly yours

Arnold Doane -
