My dear Mrs Dawson,

John told me that

You were wishing I hear
of some family in Germany
where your son could live
in case he decided to go there

We have friends, daughters
of Mr. Norris, who are boarding
in Heidelberg this summer,
& I enclose you the address

in case it may be of
use to you. I know that
the family was highly
recommended to Mrs. Morris.

She told me they were
to pay as board, £13 a
month for the two girls,
they were to have a daily
lesson in German from
S. Scherer, or the use

of a piano.

I am very sorry not to see
as much of you & S. Weston
as I should wish, if all
is well with me, by & by,
I hope you will come & see
me.

With united kind
regards, Believe me
yours sincerely,

Sophia M. Lloyd
