

Mrs William Carpenter

Acc. 1377

5th Regent Park Road
N. W. Oct. 22.

Dear Mr Dawson

D^r. Carpenter and

I are much hoping to
see you and D^r. Dawson
to spend a few days
with us before you
leave England. — We
believe that you were
to be at Chiselhurst

about this time, and
I am writing to know
when we may hope
for the pleasure of
seeing you — We shall
make no Engagements
until we hear from you.
Oh! perhaps every day
will see us. —

We hope that you

have been much en-
-joying your visit
to England. So far,
notwithstanding the
uncertainty of our
weather since the
Southport Meeting,
With ever kind regards
I am sincerely yours
Lewis Carpenter
