

Washed Monday Morning
My dear Mr. Cole

I have sent many
swatches of Goods, but
one like the enclosed
I never did - Well - you
must know they a
swatch of the Colour
of a Cock Lessor has
got - it has a White
Sail. & Lessor chunky
it a bonny beast - the
Knee is 1/9 - and if
it pleases the Man is

to keep it over to morrow
~~so~~ so if it pleases
you - let us know by
fast Coach - if it
does not suit the
taste - a Black one
will be sought for
as soon as possible

It is a good thing
folks, doesn't know what
before them - think of
Jesse Mercer also, Elyson
turned Cook & then Agent
and her man - instead

of asking orders for the
superfines - sending patterns
of the feathered table
oh tempore oh Moses

Read all well
