

July 1

Dear Margaret,

Closed the
Normal School yesterday,
all well, though a
very hot day. To-
day I begin my
museum work, and
hope to have a quiet
time for a few days.
Have the drawing room
floor up and the
piano in progress, and
hope to have quite a

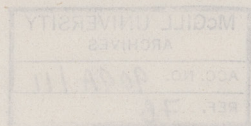

revolution in the old
house before you come
home. We had a
short heavy shower
yesterday afternoon
which refreshed matters
but a little, and it
is recast to-day
I hope you have had
fine weather and a
good passage and
will be able to give
me a good account
of matters at home

Joe

Gave a budget of
letters from China to
Mrs Carpenter, and hope
she gave them to you.

After you left I
telegraphed to Anderson,
to that he might see
you when at Quebec.
Lamb told me that
he had news of your
early arrival.

My to Hankin
about Carpenter has
to write a letter telling
all about Indusme.

You have no idea
how very quiet we
are here, without the sound
the hammering of work
men and a great
cannonade which we
saw this morning at
4 o'clock from the
waterworks in honor
of the admission day⁴

With all love
and good wishes

Yours
William
