My dear Mr. Dawson

Two friends of mine  
the Miss Douglas' are now  
in Canada on a short  
visit to their brother near  
Toronto. I conclude they  
will be in Montreal &  
as they would be interested  
in meeting any Christian  
friends who are hearing  
of what is going on in  
Quebec, I am giving  
them this note as I  
am sure you will be

will kindly let them of  
any thing which is strange,  
they will be to know, &  
they in their turn will  
let you of what is going  
on in Edinburgh. I came  
abroad about a fortnight  
ago with a party of  
Lecturers & we are exploring  
a country which is new  
to us all. Dr. Stewart  
w<sup>o</sup>. be inclined to  
enjoy us a visit to  
the Dolomite Mountains!  
With kind remembrance
