My dear Mr. Wilson
You are very kind
to write to me saying
that it has been long
I don't see your
kindness ceased
I intend going to see
Mr. Walker at the
same week Tuesday

on my way thither
& will call upon
you; my best wishes
if necessary be early
in the day & should
be enough to hope
to assure you that
your old friend
will cherish your
memory.

With kind love to your
respected father & mother
I remain
Dear

Very sincerely yours
J. C. Sumner
