Lucy -

Dear Mrs Dawson,
I must describe
me to say she is de-
lighted at the pros-
pect of a visit from
you. Mrs Dawson, &
will be down at the
station, at eleven
o'clock, on Monday

morning to meet you
We hope to see Mr. & Mrs.
Bell also. Please tell
them we have two
spare rooms at present
as Maggie & John
are from home; & that
if they can't possibly
come, they must
send John or some

of the others in their
place.

please excuse haste

Y Believe me

yours sincerely
