

My dear Mrs. Dawson

I was very sorry
not to see you this afternoon
but I hope Mrs. Dawson
has proved a faithful
pledger for me — We
shall be much disappointed
not to have at least an
evening with you in our
home — Mrs. Dawson asked
which of the evenings in
next week that I mentioned
would be preferable to us —

and Mr Patten says
that it shall be either
one that you are disappointed
but if equally convenient
to you, Friday will be prefer-
able to us in next week

If you can remain longer
~~than~~ one night we shall
be delighted to have you
do so and will you please
make the day comfortable
to that. It will be equally
convenient to us in the
week after next —

We shall quite hope that
you will remain the night
with us — whenever you
come — Dinner will be

1
served at 7 o'clock —

Mr Knist regards for
you all from Mr Pattison
and myself, believe me
to remain, Dear Mrs Pawan

Very Sincerely Yours
A J Pattison
