

May 11th

1 Ladbrake Gardens,
Notting Hill. W.

My dear Mr Dawson

I forgot when I had
the pleasure of seeing you
today, that we are going
to meet Mr Wightman
of Shrewsbury at Mr
Priscoe's tomorrow afternoon
and therefore I shall not
be able to go to the
harbour in the morning -

Some friends are anxious
to interest others in the
Temperance movement.
& I enclose a card in
case Dr. Dawson & you
feel inclined to attend
the meeting - Mr. Westman
is a very well-known
& honored worker & I think
you wd be interested -
Ladies are not
excluded -

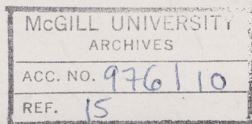

We hope to have a large
gathering of Christians
here soon the day is
not quite fixed but I
think it will be Wednesday
June 1st when we hope
Mr. Dawson & you will
give us the pleasure of
your company. Mr. Donald
Laser wife & c. give the
address - but I hope we
may meet several

Times before then -
I shall look for the pleasure
of seeing you on Tuesday
at 11.00 - if not before!
& I have hopes you will
return & lunch here
after our morning's work.

With our Christian regards

Yours in Jesus

Mary C. Perston.
