My dear Mr Dawson

Thank you for
your very kind note
and the photographs
which we value very
highly, but I must
say we think yours
the most unflattering
likeness we ever saw,
in fact it is difficult
to believe that you
could have sent for
it.

I will be very happy
to send you our
photographs, but as
we have no very
good ones, I will
wait and send you
some of the new ones
which we are going
to have taken soon.

I hope we shall
see you if you return
to London before you
leave for Canada,

We do not leave Town
till the end of July, &
generally come home
some time in
November, and we
shall be very glad
if your son will
come and see us
then, whenever he
feels inclined.

I am sending this
to Halsey Street, but
if you do not return

to London will you
kindly let me know
where to address the
photographs so that
they may reach you
safely.

Mamma & my sister
write with Dr. Kee & me
in kind regards to
Dr. Dawson your son
and yourself

Believe me dear
W^d Dawson

Very truly yours
Kate Kee
