My dear Mr Dawson

We hear that you are to
be in London this week
& I write to say how much
pleasure it will give us
to see you again, we hope

you will be able to spare
us an evening while
you are in town, could
you and Principal Sawron
and your daughter dine
with us on Saturday the
27th of Oct^r or Thursday the
1st of Nov^r at half past 7.

o'clock. if it is all the same
to you we would prefer the
1st of Nov^r as it would give us
more time to ask some pleasant
friends to meet you.

I have heard so much of your
daughter from Dr. Roe I am looking
forward with much pleasure to
meeting her. My sister writes
with me in very kind regards
yours very truly
