Monday

Dear Mrs Dawson.

I am sending this
through Sir Charles Tupper
in the hopes of his knowing
of address. as Miss Grant
tells me she is returning
to Canada under your
care. & the lady she has
been living with is

anxious that there should
be no mistake in her
meeting you properly at
Liverpool - which Miss
Grant told me she was
going to do - would you
mind sending me a
post-card to say you
have her safe under

of care.

Believe me sincerely,

Walter de Winton
