My dear Mr. Dawson

We are so glad to hear that you are really coming to us & we are looking forward to your visit with a great deal of pleasure - Mamma wants me to let you know that she has accepted an invitation for you to dine at the Goldwin Smiths on Friday January 2<sup>nd</sup> & she hopes that you & Mr. Dawson will ratify her promise on the behalf of you

both - I am in time now to  
wish you a happy Christmas & it  
does seem that if we really think  
of what it means, we must be  
glad - The angel's message seemed  
oh so much to me last year more  
than ever before, for it found

such as Jesus, could help me & so  
I trust Christmas will always  
be to me more than ever it has  
before -

I must not give you any of  
our news, on the same principle  
as one avoids talking to the gate  
man, who is to take one into  
dinner; - so I must reserve the

Thank you to tell you, showing the money very thanks we are  
to have you to face

With love to all your well from all of us

Believe me

Yours very affably
