Dear Anna,

I arrived
here in good time
this morning - the
train being only a
few minutes behind
time. We had a
"Pullman's Car" very
fine, for which however
they charge
\$2 extra; and I
mention this to you

1875
Jan 21st

because in addition
to your return ticket
you will require at
the station to take
a ticket for the
car, in which of
course you must
travel if you go
by the night train,
which is by far
the most comfortable.
I found ~~morning~~
and the rest all

well; the children
rejoicing over their
Christmas presents.
The weather here
is much as in
Florida, and I
look for a few days
of quiet to get through
preparing arrears of
work.

Give my very
sincere love and
 regards to our kind
 friends the Wolcotts and

take to yourself all
love and good
wishes from us all;
though Rankine and
I can say it was
too bad of you
in your last letter
I send you help a
kip. Dear.

Your loving father
W. Dawson
