

London Decr 10. 71

My Dear Anna

I just write a line to thank  
you very much for the Night Socks received  
a few days ago. They are not only  
useful but very pretty & Seasonable also  
as the weather is now so cold.

I also should have congratulated you  
on the success of your fossil drawings

I like them very much indeed. They  
are quite a credit both to the delineator  
& the lithographer.

Yours most truly  
George
