April 22/87

My dear Anna,

I mailed to  
you address today  
a photograph album  
with a couple of  
photos which I found  
a which perhaps you  
will be so good as to  
pass over to mother,  
who may keep them  
in case any are

wanted. Suicide with  
the photos are two  
Small sketches  
representing sketching  
season of 1883. They  
are as you will  
see in the improvement  
style. I am just  
on the point of pulling  
up stakes, having  
everything packed & ready.  
Sorry to hear that  
Conrad is now a  
victim yours  
George
