Dear Anna,

Since I wrote  
yesterday I have received  
a letter of July 16th from  
Judge Jim Kamloops  
B.C., in which he  
refers to a sum of  
\$100 now in my  
possession at Montreal and  
due to him, and  
asks me to hold  
it at "my disposal  
for incidental expenses".

Spalding & Co  
London

where you now are,  
I write now to say  
that I can dispense  
of the amt as you  
may order. I can  
either send it in  
P. O. order to whatever  
town as you may  
advise me, or can  
have it transferred  
to your acct in  
Newheat, or can  
have the whole put

into a draft on Oscar  
Juh and sent to you  
by mail. I have  
plenty of course here  
for expenses at  
Metis.

Serge's address for  
some time will be  
Kamloops B. C., and  
when you write to him  
you can thank him for  
his kindness in the matter.

Love to Oswald  
and Vic.

All well here  
Ever yours  
J. Madalena
