Dearest Anna

It seems a very long
time since I last
heard how you are
getting on! I hope Dr
H is still with you
& also Miss Wilson.

Time passes so very
quickly & with every
year more so. I wish
I had a glass which
would reach to you
& that I could see
dear Eric & find that
he is improving!
I hope to return on
Monday week the 20th

& of course shall
be so glad to do any
thing for you.

I do hope that I shall
be happy this coming
winter with Mary &
you know what that
means.

I have been 3 times
to Church & hope to
go on Sunday next
& again hear that
godly man ^{Mr} Dr Trope.
He gives us food to live
up to it & on it all
week & really speaks
as if he were inspired.

I wonder when dear
Eva is coming & I
do hope that I may
see her. Has Rankine
come to you, now
the strike is over
I think dear Eric
will enjoy to have
him. I think of
Eric day & night &
shall be glad to see
him again!

Now dearest Anna
with best love &
wishes ever
Your old true
M M Carpenter
